Nathan Pluchard

Cybersecurity Bachelor Student

Seeking work-study / internship

PROFILE

First-year Cybersecurity Bachelor student, I became passionate about this field as I discovered how interesting it is. My uncle works in IT, which made me want to get into it. I am looking for an internship, then a work-study placement, to grow in the field.

EDUCATION

IN PROGRESS
Cybersecurity Bachelor — Year 1

Pix certification
Digital skills

General baccalaureate

EXPERIENCE & PROJECTS

2026
Hack The Box training
Cybersecurity training platform.

RED PROJECT
OUTBREAK — terminal role-playing game (Go)
Complete text-based survival game: 4 classes, shelter, expeditions across 5 zones with bosses, turn-based combat, casino (Blackjack, roulette) and a 24-bit colour terminal UI. 53 commits.
